

East Tennessee Fishing Escape

A person in a white shirt and cap is fly fishing from a boat on a river. The boat has 'HIGH COUNTRY BOATS' and a fish logo on its side. The background is a dense forest of green trees under a bright sky. The water is calm with some ripples.

The “Little Montana” of the Southeast

Widely considered one of the top fly fishing destinations in the United States, the South Holston and Watauga Rivers of Tennessee offer Western level fishing alongside the beautiful foliage and greenery of the Blue Ridge Mountains. Drawing water from some of the regions highest peaks, this Rainbow and Brown Trout haven makes for a perfect all inclusive adventure retreat.
